

OPERATION CO-OPERATION

The Boston Police Department has recently experienced a rise in the number of Breaking and Entering to residences in the South Boston Neighborhood. The Detective Bureau of District C-6 is asking for your assistance in identifying any person or location that may be selling these stolen goods. These items range from lap top computers, DVD players, VCR's, and assorted items of jewelry. Should you have any information please contact the District C-6 Detectives at **1-617-343-4742** or the Boston Police Crime Stoppers Unit at **1-800-494-TIPS**. All callers and information will remain completely anonymous.

The Mass. General Laws Ch. 266 sec. 60 states that any persons buying, receiving, possessing, or aiding in the concealment of stolen goods is a FELONY punishable by 2 1/2 years of imprisonment in the House of Corrections.

The Licensee's of the various Bars and Taverns are hereby notified that any criminal acts on or about the premise will result in a violation noticed being issued to the owners thereby placing the license to operate in jeopardy.

If you have been a victim, or know a friend or neighbor that has had their home broken into, then you know how truly disturbing it is to have your home burglarized. Should you have any information, please assist the Boston Police Department and its efforts in:
